Here are some general things to note about your visit:</p> <p>June is the middle of our tourism season and things book quickly. <b>If you're interested in renting a car, or traveling before or after the Summer Institute, book cars and hotels as soon as possible!</b> We recommend <a href="#">Salmon Berry Tours</a>. Anna at the Salmon Berry Tours office is an alumnus of our program and would love to help you find an adventure or two for before or after the Institute!</p> <p>June is also the peak of our summer and you'll be here just in time for summer solstice on June 21<sup>st</sup>, 2019! We receive more than 18 hours of daylight during the day in June and it doesn't really get dark at night at all. Come prepared for sun but also be prepared for rain and a light wind. We recommend bringing a light jacket. Temperatures range from 50* F to 65* F.</p> <p>Anchorage is the largest city in the state and has all the amenities of cities from your area. We have a number of grocery stores, dining options, shopping centers and transportation methods so if you forget something – don't worry!</p> <p>Plan on some afternoon activities after class. We currently have one activity scheduled but are working on others! Please keep an eye on the website for any changes. These are not required, but you came all this way:</p> <ul style="list-style-type: none"> <li>• <b>Anchorage Distillery Tour on Wednesday at 6PM</b> – Transportation to and from the hotel will be provided. We will depart the hotel at 5:40PM. This tour is free but due to state law, tastings are not. If you'd like to taste the product please bring cash or card and a valid ID.</li> </ul> <p>There's so much going on in our state during the summer it would be hard to include all the information in one document. We've put together a full <a href="#">Summer Institutes website!</a> You can also learn more about Alaska and the opportunities here by visiting <a href="http://www.anchorage.net">www.anchorage.net</a> and <a href="http://www.travelalaska.com">www.travelalaska.com</a>.</p>
